OVERVIEW ADD OPTIMALS

Mycotoxin control

Species: Poultry, swine, rumimants

Intra Toxinbind Xpro
- Consistent mycotoxin control

25 kg

Intra Toxinbind Xpro Plus
- Fast and strong all round mycotoxin adsorption
- Plus liver protection

25 kg

Intra Toxinbind Xpro Premium
- High mycotoxin risk management of DON
- Premium liver protection and gut energizer

25 kg

Egg quality & fertility

Species: Poultry

OptiShell
- Improving egg shell quality
- Layers

25 kg

OptiChick 3.0
- Maximizing fertility
- Optimizing hatchability

20 kg

Feed digestability

Species: Poultry, swine

Enziblend Energy Plus
- Digestive enzymes to improve fibre digestibility
- Improving FCR

25 kg

Enziblend Protein Plus
- Digestive enzymes to enhance protein digestibility
- Improving FCR

25 kg

EmulsiVital
- Nutritional emulsifier
- Optimizing fat-energy metabolism
- Improving FCR

20 kg

Gut protection

Species: Poultry, swine

Gut Balance Booster
- Boosting digestive enzyme activity
- Enhancing immunity & gut barrier

25 kg

SalClean
- Specifically targeting *Salmonella*
- Active along the entire intestinal tract

25 kg

Feed quality

Species: Poultry, swine

MouldClean
- Strong synergistic anti-fungal
- Preventing mould growth
- Supressing storage mycotoxins

25 kg

Oxydafort
- Powerful feed antioxidant synergistic blend
- Protecting nutrients & palatability

20 kg

Heat stress control

Species: Poultry

Redustress Poultry Plus
- Complete stress control
- Highly bio-active antioxidants & electrolytes

20 kg

Use: in feed & drinking water
